

# CSI Shipping

## Company Profile

### About Us:

As a part of “Jadara group”, we launched “Caribbean Sea International Shipping” to provide and cover our customers shipping needs, providing a full logistic service to our clients in one place.

As we have already been providing clearance, trucking and warehousing services to a well diverse list of respected clients since 2004 we aim to provide a top professional shipping service.

Our professional staff and vast resources enable us to provide solutions to oversize and heavy loads, and our project team is able to sort through the complexities of large-scale projects

Our team make sure to provide real time updates to our clients making sure you have all the answers ready.

### Mission:

To fulfill our client’s shipping needs in the upmost professional, convenient and efficient shipping solutions possible.

### Vision:

To be a guaranteed reliable one-way stop for our client's logistics needs.
